SECTION 1. WELCOME

Delta Dental Plan of Oregon (abbreviated as Delta Dental) was created in 1955 and is a founding member of the Delta Dental Plans Association. Delta Dental Plan of Oregon is the state's largest dental insurer, offering coverage in the commercial market and administering the Oregon Health Plan.

We are pleased your Group has chosen Delta Dental as its dental plan. This handbook will give you important information about the Plan's benefits, limitations and procedures.

If you have questions, call one of the numbers listed in section 2.1 or use the tools and resources on your Member Dashboard at www.deltadentalor.com. You can use it 24 hours a day, 7 days a week to get your plan information whenever it is convenient.

We may monitor telephone conversations and email communications you have with us. We will only do this when Delta Dental determines there is a legitimate business purpose for doing so.

This handbook may be changed or replaced at any time, by the Group or Delta Dental, without your agreement. You can find the most current handbook on your Member Dashboard. All plan provisions are governed by the Group's policy with Delta Dental. This handbook may not contain every plan provision.

2.4 OTHER RESOURCES

Additional member resources providing general information about the Plan can be found in Section 11, Section 13 and Section 15.

SECTION 3. USING THE PLAN

For questions about the Plan, you should contact Customer Service. This handbook describes the benefits of the Plan. It is your responsibility to review this handbook carefully and to be aware of the Plan's limitations and exclusions.

At a first appointment, you should tell the dentist that you have dental benefits through Delta Dental. You will need to provide your identification number and Delta Dental group number to the dentist. These numbers are located on your ID card.

3.1 NETWORK INFORMATION

Delta Dental plans are easy to use and cost effective. If you choose a participating Delta Dental Premier dentist from the Delta Dental Premier Dental Directory (available on your Member Dashboard by using Find Care), all of the paperwork takes place between Delta Dental and the dentist's office. Over 80% of all licensed dentists in Oregon are participating Delta Dental Premier dentists. For members outside Oregon, Delta Dental's national affiliation with Delta Dental Plans Association provides offices and/or contacts in every state. Also, dental claims incurred any place in the world may be processed in Oregon.

If you need dental care, you may go to any dental office. However, there are differences in reimbursement by Delta Dental for participating Delta Dental Premier dentists and non-participating dentists or dental care providers. While you may choose the services of any dentist, Delta Dental does not guarantee the availability of any particular dentist.

3.1.1 Non-Participating Dentists

Payment to a non-participating dentist or dental care provider is paid at the applicable coinsurance and is limited to the PPO fee schedule. The allowable fee in states other than Oregon will be that state's Delta Affiliate's non-participating dentist allowance. You may have to pay the difference between the maximum allowed amount and the billed charge.

3.2 PREDETERMINATION OF BENEFITS

For expensive treatment plans, Delta Dental provides a predetermination service. The dentist may submit a predetermination request to get an estimate of what the Plan would pay. The predetermination will be processed according to the Plan's current contract and returned to the dentist. You and your dentist should review the information before beginning treatment.

SECTION 4. BENEFITS AND LIMITATIONS

The Plan covers the services listed when performed by a dentist or dental care provider (licensed dentist or licensed hygienist), and only when determined to be necessary and customary by the standards of generally accepted dental practice for the prevention or treatment of oral disease or for accidental injury. Delta Dental's dental consultants and dental director determine these standards.

Payment of covered expenses is always limited to the maximum plan allowance. Benefits will never be paid for services provided beyond the scope of a dentist's or dental care provider's license, certificate or registration. Services covered by your medical plan will not be covered on this Plan except when related to an accident.

Covered dental services are grouped in 4 classes starting with preventive care and advancing into basic and major dental procedures. Limitations may apply to these services and are noted below. See Section 7 for exclusions.

Covered services, when generally accepted dental practices and standards determine they can be safely and effectively provided using teledentistry (audio, video or both), are covered when provided by a provider using such telephone or internet conferencing. The application and technology used must meet all state and federal standards for privacy and security of protected health information.

All annual or per year benefits or cost sharing accrue based on a calendar year (January 1 through December 31) or portion thereof. Frequency limitations are calculated from the previous date of service or initial placement, unless otherwise specified.

Deductible: \$50

Per member (not to exceed \$150 per family) per year, or portion thereof
Deductible applies to covered Class II and Class III services

Annual maximum plan payment limit: \$2,000

Per member per year, or portion thereof.

All covered services except class IV apply to the annual maximum plan payment limit.

Members are responsible for expenses that exceed the annual maximum plan payment limit.

If a more expensive treatment than is functionally adequate is performed, Delta Dental will pay the applicable percentage of the maximum plan allowance for the least costly treatment. You will be responsible for the remainder of the dentist's fee.

SECTION 5. ORAL HEALTH, TOTAL HEALTH BENEFITS

Visiting a dentist on a regular basis and keeping the mouth healthy is critical to keeping the rest of the body healthy. Studies have shown a relationship between periodontal disease, bacteria in the mouth, and various health problems including pre-term, low birth weight babies and diabetes.

5.1 ORAL HEALTH, TOTAL HEALTH BENEFITS

Delta Dental has developed a program that provides additional cleanings (prophylaxis or periodontal maintenance) for Delta Dental members based on this evidence. This benefit is for the cleaning only. Coverage for a routine exam and other services is subject to the frequency limitations outlined in Section 4.

5.1.1 Diabetes

If you have diabetes, elevated blood sugar levels can have a negative effect on your oral health. Diabetes increases the risk of cavities, gum disease, tooth loss, dry mouth and infection. Poor oral health can make diabetes more difficult to manage. Infections may cause blood sugar to rise and require more insulin to keep it under control. Research confirms that regular visits to the dentist may help in the diagnosis and management of diabetes.

Diabetic members are eligible for a total of 4 cleanings per year.

5.1.2 Pregnancy

Keeping the mouth healthy during a pregnancy is important for a member and the baby. According to the American Dental Association, pregnant women who have periodontal (gum) disease are more likely to have a baby that is born too early and too small.

Research suggests that periodontal disease triggers increased levels of biological fluids that induce labor. Data also suggests that women whose periodontal condition worsens during pregnancy have an even higher risk of having a premature baby. Dental visits during a woman's third trimester of pregnancy may help prevent pre-term, low birth weight babies.

You should talk to your dentist about scheduling a routine cleaning or periodontal maintenance during the third trimester of pregnancy. Pregnant members are eligible for a cleaning in the third trimester of pregnancy regardless of when they had a previous cleaning.

5.2 HOW TO ENROLL

Enrolling in the Oral Health, Total Health program is easy. To enroll, contact Customer Service or complete and return the Oral Health, Total Health enrollment form found on your Member Dashboard. Members with diabetes must include proof of diagnosis.

SECTION 6. HEALTH THROUGH ORAL WELLNESS PROGRAM

Delta Dental's Health through Oral Wellness program offers enhanced benefits, see section 6.3, to members at high risk of tooth decay, gum disease and oral cancer as determined by a clinical risk assessment administered by a dentist registered with the program.

Dentists registered with the Health through Oral Wellness program are licensed dentists who have agreed to perform a clinical risk assessment as part of a member visit.

6.1 HOW TO FIND A DENTIST REGISTERED WITH THE HEALTH THROUGH ORAL WELLNESS PROGRAM

To find a dentist registered with the Health through Oral Wellness program in Oregon, you can log in to your Member Dashboard account at DeltaDentalOR.com and select Find Care.

- a. Choose the "Dental" option under the Type of search drop down menu
- b. Enter your location and Search

This will bring up a list of local dental providers. Dentists registered with the Health through Oral Wellness program will have a green ribbon (the Health through Oral Wellness badge icon) next to their contact information.

You may also contact Customer Service for assistance finding a dentist registered with the program.

6.2 CLINICAL RISK ASSESSMENT

Clinical risk assessments objectively determine your risk of tooth decay, gum disease or oral cancer. If you are determined to be high risk in one of these three categories you will be informed of your enhanced benefits by the registered dentist. You may be eligible for enhanced benefits based on more than one risk category. A clinical risk assessment that covers all three risk categories is called a comprehensive risk assessment.

6.2.1 Tooth Decay Risk Assessment

If you are eligible for enhanced benefits based on your risk of tooth decay, you must take a tooth decay risk assessment or comprehensive risk assessment every 6 to 14 months in order to maintain your eligibility. Eligibility for enhanced benefits will continue regardless of your risk score for tooth decay at a subsequent risk assessment provided there is no lapse in eligibility.

6.2.2 Gum Disease Risk Assessment

If you are eligible for enhanced benefits based on your risk of gum disease, you must take a gum disease risk assessment or comprehensive risk assessment every 6 to 14 months in order to maintain your eligibility. Eligibility for enhanced benefits will continue regardless of your risk score for gum disease at a subsequent risk assessment provided there is no lapse in eligibility.

6.2.3 Oral Cancer Risk Assessment

If you are eligible for enhanced benefits based on your risk of oral cancer, you must take an oral cancer risk assessment or comprehensive risk assessment every 6 to 14 months in order to maintain your eligibility. Your oral cancer risk score may affect your eligibility for enhanced benefits; see section 6.4 for more information.

6.3 ENHANCED BENEFITS

6.3.1 Tooth Decay and Gum Disease Enhanced Benefits

If you qualify for enhanced benefits under the Health through Oral Wellness program based on a high risk of tooth decay or gum disease, you are eligible for:

- a. Prophylaxis (cleaning) or periodontal maintenance once every 3 months,
- b. Fluoride varnish or topical fluoride once every 3 months,
- c. Sealants on the unrestored occlusal surfaces of permanent molars once per tooth every 3 years,

6.3.2 Oral Cancer Enhanced Benefits

If you qualify for enhanced benefits under the Health through Oral Wellness program based on a high risk of oral cancer, you are eligible for tobacco cessation counseling once in a 12-month period.

6.3.3 Limitations

All enhanced benefits are subject to the Plan's annual maximum plan payment limit, deductible, coinsurance and other plan limitations.

Oral hygiene instruction, nutritional counseling, and tobacco cessation counseling, not otherwise covered under the Plan, are covered as Class I benefits.

Drugs and medicaments, not otherwise covered under the plan, are covered as a Class II benefit.

With the exception of tobacco cessation counseling, enhanced benefits may not be combined with the additional benefits available through the Oral Health Total Health program described in Section 5.

6.4 WHEN ENHANCED BENEFITS END

If you do not receive continued clinical risk assessments as required in section 6.2, you will lose your eligibility for enhanced benefits. Standard plan benefits, see Section 4, will resume 14 months from the last clinical risk assessment.

Your tobacco cessation counseling enhanced benefit will end if a subsequent clinical risk assessment determines that you are no longer at high risk for oral cancer.

SECTION 8. ELIGIBILITY

The date you become eligible may be different than the date coverage begins (see section 9.5).

8.1 SUBSCRIBER

You are eligible to enroll in the Plan if you:

- a. are a permanent documented full time employee, sole proprietor, owner, business partner, or corporate officer of the participating employer
- b. Regularly work the required hours per week as specified by the participating employer
- c. are not a leased, seasonal, substitute, or temporary employee, or an agent, consultant, or independent contractor

- e. satisfies any orientation and/or eligibility waiting period

You are eligible to remain enrolled if you are on an approved leave of absence under state or federal family and medical leave laws.

You must tell us and the Group if your address changes.

8.2 DEPENDENTS

Your legal spouse or domestic partner is eligible for coverage. Your children are eligible until their 26th birthday. Children eligible due to a court or administrative order are also subject to the Plan's child age limit. Foster children are eligible only while legally a foster child.

A participating employer may allow domestic partner dependent eligibility under this policy. Check with the participating employer to determine if they have adopted this provision.

In this plan, eligible children are:

- a. The biological, adopted or foster child of a subscriber or a subscriber's eligible spouse or domestic partner
- b. Children placed for adoption with a subscriber. Adoption paperwork must be provided
- c. A newborn child of an enrolled dependent for the first 31 days of the newborn's life
- d. Children related to a subscriber by blood or marriage for whom the subscriber is the legal guardian. A court order showing legal guardianship must be provided

A subscriber's child who has sustained a disability making them physically or mentally incapable of self-support is eligible for coverage even though they are over 26 years old. If the child is eligible for coverage under the medical plan, they are also eligible under this dental plan. If the medical coverage is not through Moda Health, the subscriber must submit the medical

carrier's determination that the child is eligible for overage coverage to Delta Dental at least 45 days before the child's 26th birthday to avoid a break in coverage.

8.3 QUALIFIED MEDICAL CHILD SUPPORT ORDER (QMCSO)

The Plan will cover a child of an eligible employee who has a right to enrollment due to a qualified medical child support order (QMCSO). The Plan has detailed procedures for determining whether an order qualifies as a QMCSO. A copy of such procedures is available from the Group without charge.

The child's coverage under the Plan will be effective as of the first day of the month following the date that the Group determines that the applicable order qualifies as a QMCSO and that the child is eligible for enrollment in the Plan.

8.4 NEW DEPENDENTS

A new dependent may cause a premium increase. Premiums will be adjusted accordingly and will apply from the date coverage is effective.

If you marry or register a domestic partnership, your spouse or domestic partner and their children are eligible to enroll as of the date of the marriage or registration.

Your newborn child is eligible from birth. Your adopted child, or child placed for adoption or as a foster child, will be eligible on the date of placement. To enroll a new child, an application must be submitted. When a premium increase is required, the application and payment must be submitted within 60 days. If payment is required but not received, the child will not be covered. Proof of legal guardianship will be required for coverage of a grandchild beyond the first 31 days from birth.

8.5 ELIGIBILITY AUDIT

We have the right to make sure you are eligible. We may ask for documentation including, but not limited to, employee timecards, member birth certificates, adoption paperwork, marriage certificates, domestic partnership registration and any other evidence necessary to document eligibility for the Plan.

SECTION 9. ENROLLMENT

9.1 ENROLLING ELIGIBLE EMPLOYEES

A complete and signed application for the eligible employee and any dependents to be enrolled must be filed with the Group within 31 days of becoming eligible to apply for coverage.

You must notify the Group and participating employer and us of any change of address.

9.2 ENROLLING NEW DEPENDENTS

To enroll a new dependent, a complete and signed application and, when applicable, a marriage certificate or domestic partnership documentation must be submitted within 31 days of their eligibility. Adoption or placement for adoption or foster child placement paperwork must be submitted within 60 days of their eligibility. You must notify us if family members are added or dropped from coverage, even if it does not affect premiums.

9.3 OPEN ENROLLMENT

If you and/or any eligible dependents are not enrolled within 31 days of first becoming eligible, you must wait for the next open enrollment period to enroll unless:

- a. You qualify for special enrollment as described in section 8.4
- b. A court has ordered you to provide coverage for a spouse or minor child under the subscriber's insurance plan and a request for enrollment is made within 30 days after the court order is issued

Open enrollment occurs once a year at renewal.

9.4 SPECIAL ENROLLMENT RIGHTS

If you lose other coverage or become eligible for a premium assistance subsidy, you have special enrollment rights. Special enrollment applies to both the eligible employee and their dependent if neither is enrolled under the Plan, and either one loses other coverage or becomes eligible for a premium assistance subsidy.

To enroll, an eligible employee must submit a complete and signed application and supporting documentation within the required timeframe.

9.4.1 Loss of Other Coverage

If you decline coverage when initially eligible or at an open enrollment period because of other dental coverage, you or your dependents may enroll in the Plan outside of the open enrollment period if the following criteria are met:

- a. You stated in writing that you already had dental coverage when this Plan was first offered to you
- b. You ask to enroll no more than 31 days after your prior coverage ended (except for event iv. below, which allows up to 60 days)
- c. You have a qualifying event. These are:
 - i. Your prior coverage was under a COBRA continuation provision and the coverage under such provision was exhausted
 - ii. Your prior coverage ended as a result of loss of eligibility for the coverage. Examples of when coverage under a plan may be lost include:
 - A. legal separation or divorce
 - B. loss of dependent status per plan terms
 - C. death
 - D. end of employment or reduction in the number of hours of employment
 - E. reaching the lifetime maximum on all benefits
 - F. the plan stops offering coverage to a group of similarly situated persons
 - G. moving out of an HMO service area that causes coverage to end and no other option is available under the plan
 - H. termination of the benefit package option, and no substitute option is offered
 - iii. The employer contributions toward your other active (not COBRA) coverage end. If employer contributions stop, you or your dependent do not have to end coverage to be eligible for special enrollment on a new plan.
 - iv. Your prior coverage was under Medicaid or a children's health insurance program (CHIP) and such coverage ended due to loss of eligibility. Special enrollment must be requested within 60 days of the end of coverage.

9.4.2 Eligibility for Premium Subsidy

If you or your dependent are covered under Medicaid or CHIP and become eligible for a premium assistance subsidy, you may enroll in the Plan outside of the open enrollment period. You must ask for special enrollment within 60 days of becoming eligible.

9.4.3 New Dependents

You and your spouse or domestic partner and children will have special enrollment rights if you are not enrolled at the time of the event that caused you to gain a new dependent (e.g., marriage, domestic partnership, birth, adoption or placement for adoption or as a foster child.)

9.5 WHEN COVERAGE BEGINS

Your coverage begins on the enrollment date or after a waiting period as specified in the policy.

Coverage for new dependents through marriage or registration of a domestic partnership begins on the date of marriage or registration if the marriage or registration date is the first day of the month. Otherwise, coverage begins on the first day of the month following the date of marriage or registration.

Coverage for a newborn is effective on the date of the newborn's birth. Coverage for a child newly adopted or placed for adoption or as a foster child is effective on the date of adoption or placement. Court ordered coverage is effective on the first day of the month following the date the Group determines that an applicable order qualifies as a QMCSO, and that the child is eligible for enrollment in the Plan.

Coverage for those enrolling during open enrollment begins on the date the Plan renews. All other plan provisions will apply. Coverage under special enrollment due to loss of coverage or eligibility for premium subsidy begins on the first day of the month following receipt of the special enrollment request, or coinciding with, but not before the loss of other coverage.

The necessary premium must also be paid for coverage to become effective.

9.6 WHEN COVERAGE ENDS

When your coverage ends, coverage for all enrolled dependents also ends.

9.6.1 Termination of the Group Plan or of a Participating Employer's Participation in the Plan

Coverage ends for the Group or participating employer and members on the date the Plan or participation in the Plan ends.

9.6.2 Termination by Subscriber

You may end your coverage, or coverage for any enrolled dependent, only at open enrollment or if there is a qualifying event. Qualifying events include marriage, divorce and birth. Coverage ends on the last day of the month through which premiums are paid.

9.6.3 Death

If a subscriber dies, coverage for any enrolled dependents ends on the last day of the month in which the death occurs. Enrolled dependents may extend their coverage if the requirements for continuation of coverage are met (see section 12.3). The participating employer must notify us of any continuation of coverage, and appropriate premiums must be paid along with the participating employer's regular monthly payment.

9.6.4 Termination, Layoff or Reduction in Hours of Employment

Coverage ends on the last day of the month in which employment ends unless a member chooses to continue coverage (see Section 12).

If you

- a. are laid off by the participating employer; or
- b. experience a reduction in hours that causes loss of coverage

And within 6 months you

- a. return to active work; or
- b. have an increase in hours to qualify for benefits

You and any eligible dependents may enroll in the Plan on the date of rehire or the date you work enough hours to qualify for benefits and coverage will begin on that date. The Group or

participating employer must notify us that you have been rehired following a layoff or that your hours have been increased, and the necessary premiums for coverage must be paid. Any waiting period required by the Plan will not have to be re-served. All plan provisions will resume at re-enrollment, whether or not there was a lapse in coverage.

9.6.5 Loss of Eligibility by Dependent

Coverage ends on the last day of the month in which the dependent's eligibility ends.

- a. Coverage ends for an enrolled spouse on the last day of the month in which a decree of divorce or annulment is entered (regardless of any appeal), and for an enrolled domestic partner on the last day of the month in which a judgment of dissolution or annulment of the domestic partnership has been entered
- b. Coverage ends for an enrolled child on the last day of the month in which
 - i. the child turns age 26
 - ii. stepchild relationship ends due to divorce or end of domestic partnership
 - iii. legal guardianship or foster relationship ends

You must notify us when a marriage, domestic partnership, guardianship or foster child relationship ends.

Enrolled dependents may have the right to continue coverage in their own names when their coverage under the Plan ends.

9.6.6 Rescission

Rescission means canceling (rescinding) coverage back to the effective date, as if it had not existed. We may rescind your coverage, or deny claims at any time, for fraud or intentional material misrepresentation by you or the Group. Examples of fraud and material misrepresentation include but are not limited to:

- a. Enrolling someone who is not eligible
- b. Giving false information or withholding information that is the basis for eligibility or employment
- c. Submitting false or altered claims

We have the right to keep any premiums paid as liquidated damages. You and/or the Group will have to repay any benefits that have been paid. We will tell you of a rescission decision 30 days before your coverage is canceled.

9.6.7 Continuing Coverage

Information is in Continuation of Dental Coverage (Section 12).

SECTION 10. CLAIMS ADMINISTRATION & PAYMENT

10.1 SUBMISSION AND PAYMENT OF CLAIMS

10.1.1 Claim Submission

A claim is not payable until the service or supply has actually been received. In no event, except absence of legal capacity or in the case of a Medicaid claim, is a claim valid if submitted later than 12 months from the date the expense was incurred. Claims submitted by Medicaid must be sent to Delta Dental within 3 years after the date the expense was incurred.

10.1.2 Explanation of Benefits (EOB)

We will report our action on a claim by providing you a document called an Explanation of Benefits (EOB). You are encouraged to access your EOBs electronically by signing up through your Member Dashboard. We may pay claims, deny them or apply the allowable expense toward satisfying any deductible. If all or part of a claim is denied, the reason will be stated in the EOB.

If you do not receive an EOB or an email indicating that an EOB is available within a few weeks of the date of service, this may indicate that we have not received the claim. To be eligible for reimbursement, claims must be received within the claim submission period explained in section 10.1.1.

10.1.3 Claim Inquiries

Customer Service can answer questions about how to file a claim, the status of a pending claim, or any action taken on a claim. We will respond to an inquiry within 30 days of receipt.

10.1.4 Time Frames for Processing Claims

If a claim is denied, we will send an EOB explaining the denial within 30 days after receiving the claim. If more time is needed to process the claim for reasons beyond our control, a notice of delay will be sent to the member explaining those reasons within 30 days after we receive the claim. We will then finish processing the claim and send you an EOB no more than 45 days after receiving the claim. If more information is needed to process the claim, the notice of delay will describe the information needed, and the party responsible for providing the additional information will have 45 days to submit it. Once the additional information is received, processing of the claim will be completed within 15 days. Submission of information necessary to process a claim is subject to the Plan's claim submission period explained in section 10.1.1.

10.2 APPEALS

Before filing an appeal, it may be possible to resolve a dispute with a phone call to Customer Service.

10.2.1 Definitions

For purposes of section 10.2, the following definitions apply:

Adverse Benefit Determination means a letter or an Explanation of Benefits (EOB) from Delta Dental informing a person, of any of the following: a denial, reduction or termination of, or a failure to provide or make payment (in whole or in part) for a benefit, including one based on

a determination of a person's eligibility to participate in the Plan and one resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be experimental or investigational or not necessary and customary by the standards of generally accepted dental practice for the prevention or treatment of oral disease or accidental injury.

Appeal is a written request by a member or the member's representative for Delta Dental to review an adverse benefit determination.

Utilization Review means a system of reviewing the dental necessity, appropriateness or quality of dental care services and supplies. An adverse benefit determination that the item or service is not dentally necessary or appropriate, is investigational or experimental, or in which the decision as to whether a benefit is covered involved a dental judgment is a utilization review decision.

10.2.2 Time Limit for Submitting Appeals

A member has **180 days** from the date an adverse benefit determination is received to submit the first written appeal. If appeals are not submitted within the timeframes in these sections, the member will lose the right to any appeal.

10.2.3 The Review Process

The Plan has a 2-level internal review process (a first level appeal and a second level appeal).

The timelines in the sections below do not apply when the member does not reasonably cooperate, or circumstances beyond the control of either party (Delta Dental or the member) makes it impossible to comply with the requirements. Whoever is unable to comply must give notice of the specific reason to the other party when the issue arises.

Upon request and free of charge, the member may have reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits.

10.2.4 First Level Appeals

An appeal must be submitted in writing. If necessary, Customer Service can help with filing an appeal. Written comments, documents, records and other information relating to the claim for benefits may be submitted. Delta Dental will send a letter no more than 7 days after receiving an appeal to tell the member that the appeal is received. Appeals are investigated by persons who were not involved in the original decision.

When an investigation is finished, Delta Dental will send a written notice of the decision to the member, including the reason for the decision. The investigation will be completed and notice sent within 30 days of receipt of the appeal.

10.2.5 Second Level Appeal

A member who disagrees with the decision on the first level appeal may ask for a review of the decision. The second level appeal must be submitted in writing within 60 days of the date of Delta Dental's action on the first level appeal. Investigations and responses to a second level appeal will be by persons who were not involved in the initial decisions. The member will have the option to submit written comments, documents, records and other information related to the case that were not previously submitted.

Investigations and responses to a second level appeal will follow the same timelines as those for a first level appeal. Delta Dental will notify the member in writing of the decision, including the basis for the decision, and, if applicable, information on the right to file suit under ERISA Section 502(a).

10.2.6 Additional Member Rights

Members are entitled to additional rights if the Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). Members should check with the Group to determine if this section is applicable.

These first and second levels of review must be done before a member can file a lawsuit in court under ERISA Section 502(a). The right to file suit in court may be lost if the member has not used all of their internal appeal rights, which is generally required before filing a lawsuit.

10.3 BENEFITS AVAILABLE FROM OTHER SOURCES

Sometimes dental expenses may be the responsibility of someone other than Delta Dental.

10.3.1 Coordination of Benefits (COB)

Coordination of benefits applies when you have dental coverage under more than one plan.

If you are covered by another plan or plans, the benefits under this Plan and the other plan(s) will be coordinated. This means one plan pays its full benefits first, then any other plans pay. The order of benefit determination rules govern the order in which each plan will pay a claim for benefits.

10.3.1.1 Order of Benefit Determination (Which Plan Pays First?)

The first of the following rules that applies will govern:

- a. **Non-dependent/Dependent.** If a plan covers the member as other than a dependent, (e.g., an employee, member of an organization, primary insured or retiree) then that plan will determine its benefits before a plan that covers the member as a dependent. However, if the member is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering the member as a dependent and primary to the plan covering the member as other than a dependent (e.g., a retired employee), then the order of benefits between the 2 plans is reversed.
- b. **Dependent Child/Parents Married or Living Together.** If the member is a dependent child whose parents are married or are living together whether or not they have ever been married or domestic partners, the plan of the parent whose birthday falls earlier in the calendar year is the primary plan. If both parents' birthdays are on the same day, the plan that has covered the parent the longest is the primary plan. (This is called the birthday rule.)
- c. **Dependent Child/Parents Separated or Divorced or Not Living Together.** If the member is a dependent child of divorced or separated parents, or parents not living together whether or not they have ever been married or domestic partners, then the following rules apply:

- i. If a court decree states that one of the parents is responsible for the healthcare expenses of the child, and the plan of that parent has actual knowledge of those terms, that plan is primary. This rule applies to plan years commencing after the plan is given notice of the court decree.
- ii. If a court decree states that both parents are responsible for the healthcare expenses of the child, or that the parents have joint custody without specifying that one parent is responsible, the 'birthday rule' described above applies.
- iii. If there is not a court decree allocating responsibility for the child's healthcare expenses, the order of benefits is as follows: The plan covering the
 - A. Custodial parent
 - B. Spouse or domestic partner of the custodial parent
 - C. Non-custodial parent
 - D. Spouse or domestic partner of the non-custodial parent
- d. **Dependent Child Covered by Individual Other than Parent.** For a dependent child covered under more than one plan of persons who are not the parents of the child, the first applicable provision (b. or c.) above shall determine the order of benefits as if those persons were the parents of the child.
- e. **Dependent Child Covered by Parent and Spouse/Domestic Partner.** For a dependent child covered under the plans of both a parent and a spouse/domestic partner, the length of coverage provision below shall determine the order of benefits. If coverage under either or both parents' plans and the spouse's/domestic partner's plan began on the same day, the birthday rule will apply.
- f. **Active/Retired or Laid Off Employee.** The plan that covers a member as an active employee (i.e., one who is neither laid off nor retired) or as that employee's dependent determines its benefits before those of a plan that covers the member as a laid off or retired employee or as that employee's dependent. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of the benefits, this rule is ignored.
- g. **COBRA or State Continuation Coverage.** If a member whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another plan, the plan covering the member as an employee, member of an organization, primary insured, or retiree or as a dependent of the same, is the primary plan and the COBRA or other continuation coverage is the secondary plan. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of the benefits, this rule is ignored.
- h. **Longer/Shorter Length of Coverage.** The plan that covered a member longer is the primary plan and the plan that covered the member for the shorter period of time is the secondary plan.
- i. **None of the Above.** If the preceding rules do not determine the order of benefits, the allowable expenses shall be shared equally between the plans. In addition, this Plan will not pay more than it would have paid if it had been the primary plan.

10.3.1.2 How COB Works

The **primary plan** (the plan that pays benefits first) pays the benefits that would be payable under its terms in the absence of this provision.

The **secondary plan** (the plan that pays benefits after the primary plan) will reduce the benefits it pays so that payments from all plans do not exceed 100% of the total allowable expense.

This Plan will coordinate with a plan that is “excess” or “always secondary” or that uses order of benefit determination rules that are inconsistent with those contained in OAR 836-020-0770 to 836-020-0805 (non-complying plan) on the following basis:

- a. If this Plan is primary, it will provide its benefits first.
- b. If this Plan is secondary and the non-complying plan does not provide its primary payment information within a reasonable time after it is requested to do so, this Plan will assume that the benefits of the non-complying plan are identical to this Plan’s benefits. This Plan will provide its benefits first, but the amount of the benefits payable shall be determined as if this Plan were the secondary plan.
- c. If the non-complying plan reduces its benefits so that the member receives less in benefits than the member would have received had this Plan provided its benefits as the secondary plan and the non-complying plan provided its benefits as the primary plan, then this Plan shall advance additional benefits equal to the difference between the amount that was actually paid and the amount that should have been paid if the non-complying plan had not improperly reduced its benefits. Additional payment will be limited so that Delta Dental will not pay any more than it would have paid if it had been the primary plan. In consideration of such an advance, this Plan shall be subrogated to all rights of the member against the non-complying plan.

10.3.1.3 Effect on the Benefits of This Plan

In determining the amount to be paid for any claim, the secondary plan will calculate the benefits it would have paid in the absence of other dental coverage and apply that calculated amount to any allowable expense under its plan that is unpaid by the primary plan. The secondary plan shall credit to its plan deductible any amounts it would have credited to its deductible in the absence of other dental coverage.

If the primary plan is a closed panel plan and the member uses an out-of-network provider, the secondary plan shall provide benefits as if it were the primary plan, except for emergency services or authorized referrals that are paid or provided by the primary plan.

10.3.1.4 Definitions

For purposes of section 10.3.1, the following definitions apply:

Plan means any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for covered persons in a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.

Plan includes:

- a. Group or individual insurance contracts and group-type contracts
- b. HMO (health maintenance organization) coverage
- c. Coverage under a labor-management trustee plan, a union welfare plan, an employer organization plan or an employee benefits plan
- d. Medicare or other government programs, other than Medicaid, and any other coverage required or provided by law
- e. Other arrangements of insured or self-insured group or group-type coverage

Plan does not include:

- a. Fixed indemnity coverage
- b. Accident-only coverage
- c. Specified disease or specified accident coverage
- d. School accident coverage
- e. Medicare supplement policies
- f. Medicaid policies
- g. Coverage under other federal governmental plans, unless permitted by law

Each contract or other arrangement for coverage described above is a separate plan. If a plan has 2 parts and COB rules apply to only one of the 2, each of the parts is treated as a separate plan.

Complying plan is a plan that follows these COB rules.

Non-complying plan is a plan that does not comply with these COB rules.

Claim means a request that benefits of a plan be provided or paid.

Allowable expense means a dental expense, including cost sharing, that is covered at least in part by any plan covering the member. When a plan provides benefits in the form of a service instead of cash payments, the reasonable cash value of the service will also be considered an allowable expense and a benefit paid. An expense that is not covered by any plan covering the member is not an allowable expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a member is not an allowable expense.

The following are examples of expenses that are not allowable expenses:

- a. The amount of the reduction by the primary plan because a member has not complied with the plan's requirements concerning second opinions or prior authorization, or because the member has a lower benefit due to not using an in-network provider
- b. Any amount in excess of the highest reimbursement amount for a specific benefit, if a member is covered by 2 or more plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology
- c. Any amount in excess of the highest of the negotiated fees, if a member is covered by 2 or more plans that provide benefits or services on the basis of negotiated fees
- d. If a member is covered by one plan that calculates its benefits on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another plan that provides its benefits on the basis of negotiated fees, the primary plan's arrangement shall be the allowable expense for all plans. However, if the provider has contracted with the secondary plan to provide the benefit for a specific negotiated fee or payment amount that is different than the primary plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the allowable expense used by the secondary plan to determine its benefits.

This Plan is the part of this group policy that provides benefits for dental expenses to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the policy providing dental benefits is separate from this Plan. A policy may apply one COB provision to certain benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

Closed panel plan is a plan that provides dental benefits to covered persons primarily in the form of services through a network of providers that have contracted with or are employed by the plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by an in-network provider.

Custodial parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

10.3.2 Third Party Liability

You may have a legal right to recover benefit or healthcare costs from a third party as a result of an illness or injury for which such costs were paid by us. The Plan does not cover benefits for which a third party may be legally liable, except for those related to a motor vehicle accident (see section 10.3.3 for motor vehicle accident recovery). Because recovery from a third party may be difficult and take a long time, as a service to you, we will pay your expenses based on the understanding and agreement that we are entitled to be reimbursed from any recovery you may receive for any benefits we paid that are or may be recoverable from a third party, as defined below.

You agree that we have has the rights described in section 10.3.2. We may seek recovery under one or more of the procedures outlined in this section. You agree to do whatever is necessary to fully secure and protect, and to do nothing to prejudice, our right of recovery or subrogation as discussed in this section. We have discretion to interpret and construe these recovery and subrogation provisions.

10.3.2.1 Definitions:

For purposes of section 10.3.2, the following definitions apply:

Benefits means any amount paid by us or submitted for payment to or on your behalf. Bills, statements or invoices submitted by a provider to or on your behalf are considered requests for payment of benefits by you.

Third Party means any person or entity responsible for your injury or illness, or the aggravation of an injury or illness. Third party includes any insurer of such person or entity, including different forms of liability insurance, or any other form of insurance that may pay money to or on your behalf including uninsured motorist coverage, under-insured motorist coverage, premises med-pay coverage, personal injury protection (PIP) coverage and workers' compensation insurance.

Third Party Claim means any claim, lawsuit, settlement, award, verdict, judgment, arbitration decision or other action against a third party (or any right to such an action) by or on your behalf.

10.3.2.2 Subrogation

Upon payment by the Plan, we have the right to pursue the third party in our own name or in your name. You shall do whatever is necessary to secure such subrogation rights and do nothing to prejudice them. We are entitled to all subrogation rights and remedies under common and statutory law, as well as under the Plan.

10.3.2.3 Right of Recovery

In addition to its subrogation rights, we may, at our sole discretion and option, require you, and your attorney, if any, to protect our recovery rights. The following rules apply to all recovery, except for those related to motor vehicle accidents (see section 10.3.3 for motor vehicle recovery rights):

- a. You hold any rights of recovery against the third party in trust for us, but only for the amount of benefits we paid for that illness or injury.
- b. We are entitled to receive the amount of benefits we paid for an illness or injury out of any settlement or judgment that results from exercising the right of recovery against the third party. This is so whether or not the third party admits liability or claims that you are also at fault. In addition, we are entitled to receive the amount of benefits we have paid whether the dental expenses are itemized or expressly excluded in the third party recovery.
- c. If this Plan is subject to ERISA, the Plan is not responsible for and will not pay any fees or costs associated with your pursuit of a claim against a third party. The Plan is entitled to full reimbursement, without discount and without reduction for attorney fees and costs. Neither the “made-whole” rule nor the “common-fund doctrine” rule applies under the Plan. Only if the Plan is exempt from ERISA, you may subtract from the money to be paid back to us a proportionate share of reasonable attorney fees as an expense for collecting from the other party.
- d. This right of recovery includes the full amount of the benefits paid or pending payment by us, out of any recovery made by you from the third party, including without limitation any and all amounts paid or payable to you (including your legal representatives, estate or heirs, or any trust established for the purpose of paying for your future income, care or medical expenses), regardless of the characterization of the recovery, whether or not you are made whole, or whether or not any amounts are paid or payable directly by the third party, an insurer or another source. Our recovery rights will not be reduced due to your own negligence.
- e. If it is reasonable to expect that you will incur future expenses for which benefits might be paid by us, you shall seek recovery of such future expenses in any third party claim.

10.3.2.4 Additional Provisions

You shall comply with the following and agree that we may do one or more of the following, at our discretion:

- a. You shall cooperate with us to protect our recovery rights, including by:

- i. Signing and delivering any documents we reasonably require to protect our rights, including a Third Party Questionnaire and Agreement. If you have retained an attorney, then the attorney must also sign the agreement.
 - ii. Providing us with any information relevant to the application of the provisions of section 10.3.2 including all information available to you, or any representative or attorney representing you, relating to the potential third party claim. This may include dental/medical information, settlement correspondence, copies of pleadings or demands, and settlement agreements, releases or judgments.
 - iii. Notifying us of the potential third party claim for which the Plan may issue benefits. You have this responsibility even if the first request for payment of benefits is a bill or invoice submitted to us by your provider.
 - iv. Taking such actions as we may reasonably request to assist it in enforcing our third party recovery rights.
- b. You and your representatives are obligated to notify us in advance of any claim (written or oral) and/or any lawsuit made against a third party seeking recovery of any damages from the third party, whether or not you are seeking recovery of benefits paid by us from the third party.
- c. By accepting payment of benefits by the Plan, you agree that we have the right to intervene in any lawsuit or arbitration filed by you or on your behalf seeking damages from a third party.
- d. You agree that we may notify any third party, or third party's representatives or insurers, of our recovery rights described in section 10.3.2.
- e. Even without your written authorization, we may release to, or obtain from, any other insurer, organization or person, any information we need to carry out the provisions of section 10.3.2.
- f. Section 10.3.2 applies to any member for whom advance payment of benefits is made by the Plan whether or not the event giving rise to the member's injuries occurred before the member became covered by us.
- g. If you continue to receive treatment for an illness or injury after obtaining a settlement or recovery from a third party, the Plan will provide benefits for the continuing treatment of that illness or injury only to the extent that you can establish that any sums that may have been recovered from the third party have been exhausted.
- h. If you or your representatives fail to do any of the above mentioned acts, then we have the right to not advance payment or to suspend payment of any benefits, or to recover any benefits we have advanced, for any sickness, illness, injury or dental/medical condition resulting from the event giving rise to, or the allegations in, the third party claim, except for claims related to motor vehicle accidents (see section 10.3.3). We may notify dental providers seeking authorization of payment of benefits that all payments have been suspended and may not be paid.

- i. Coordination of benefits (where you have dental/medical coverage under more than one plan or health insurance policy) is not considered a third party claim.

10.3.3 Motor Vehicle Accident Recovery

If a claim for healthcare expenses arising out of a motor vehicle accident is filed with Delta Dental and motor vehicle insurance has not yet paid, then we will advance benefits. We retain the right to repayment of any benefits paid from the proceeds of any settlement, judgment or other payment received by you that exceeds the amount that fully compensates you for your motor vehicle accident related injuries.

If we require you and your attorney to protect our recovery rights under this section, then you may subtract from the money to be paid back to us a proportionate share of reasonable attorney fees as an expense for collecting from the other party.

You shall do whatever is proper to secure, and may not prejudice, the rights of Delta Dental under this section.

SECTION 11. MISCELLANEOUS PROVISIONS

11.1 RIGHT TO COLLECT AND RELEASE NEEDED INFORMATION

In order to receive benefits, you must give or authorize a provider to give us any information needed to pay benefits. We may release to or collect from any person or organization any needed information about you.

11.2 CONFIDENTIALITY OF MEMBER INFORMATION

Keeping your protected health information confidential is very important to us. Protected health information includes enrollment, claims, and medical and dental information. We use such information internally for claims payment, referrals and authorization of services, and business operations such as case management and quality management programs. We do not sell this information. The Notice of Privacy Practices provides more detail about how we use members' information. A copy of the notice is available on the Delta Dental website by following the HIPAA link or by calling 855-425-4192.

11.3 TRANSFER OF BENEFITS

Only members are entitled to benefits under the Plan. These benefits are not assignable or transferable to anyone else. Any attempted assignment or transfer will not be binding on Delta Dental, except that Delta Dental shall pay amounts due under the Plan directly to a provider upon a member's written request.

11.4 RECOVERY OF BENEFITS PAID BY MISTAKE

If Delta Dental makes a payment for a member to which the member is not entitled or pays a person who is not eligible for payments at all, Delta Dental has the right to initiate recovery of the payment from the person paid or anyone else who benefited from it, including a provider. Delta Dental's right to recovery includes the right to deduct the amount paid from future benefits it would provide for a member even if the mistaken payment was not made on that member's behalf.

11.5 CORRECTION OF PAYMENTS

If benefits that this Plan should have paid are instead paid by another plan, this Plan may reimburse the other plan. Amounts reimbursed are plan benefits and are treated like other plan benefits in satisfying the Plan's liability.

11.6 CONTRACT PROVISIONS

The policy between Delta Dental and the Group and this handbook plus any endorsements or amendments are the entire contract between the parties. No promises, terms, conditions or obligations exist other than those contained in the contract. This handbook and the policy plus any endorsements or amendments shall supersede all other communications, representations or agreements, either verbal or written between the parties. If any term, provision, agreement or condition is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the provisions shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

11.7 WARRANTIES

All statements made by the Group, participating employers or a member, unless fraudulent, are considered representations and not warranties. No statement made for the purpose of obtaining coverage will void the coverage or reduce benefits unless contained in a written form and signed by the Group, participating employer or the member, a copy of which has been given to the Group, participating employers or member or the member's beneficiary.

11.8 LIMITATION OF LIABILITY

Delta Dental shall incur no liability whatsoever to any member concerning the selection of dentists to provide services. In performing or contracting to perform dental service, such dentists shall be solely responsible, and in no case shall Delta Dental be liable for the negligence of any dentist providing such services. Nothing contained in the Plan shall be construed as obligating Delta Dental to provide dental services.

11.9 PROVIDER REIMBURSEMENTS

Under state law, dentists contracting with Delta Dental to provide services to members agree to look only to Delta Dental for payment of the part of the expense that is covered by the Plan and may not bill the member in the event Delta Dental fails to pay the dentist for whatever reason. The dentist may bill the member for applicable cost sharing or non-covered expenses except as may be restricted in the provider contract.

11.10 INDEPENDENT CONTRACTOR DISCLAIMER

Delta Dental and participating dentists are independent contractors. Delta Dental and participating dentists do not have a relationship of employer and employee nor of principal and agent. No relationship other than that of independent parties contracting with each other solely for the purpose of a participating dentist's provision of dental care to Delta Dental members may be deemed or construed to exist between Delta Dental and participating dentists. A participating dentist is solely responsible for the dental care provided to any member, and Delta Dental does not control the detail, manner or methods by which a participating dentist provides care.

11.11 NO WAIVER

Any waiver of any provision of the Plan or any performance under the Plan must be in writing and signed by the waiving party. Any such waiver shall not operate as, or be deemed to be, a waiver of any prior or future performance or enforcement of that provision or any other provision. If Delta Dental delays or fails to exercise any right, power or remedy provided in the Plan, including a delay or omission in denying a claim, that shall not waive Delta Dental's rights to enforce the provisions of the Plan.

11.12 GROUP IS THE AGENT

The Group is the members' agent for all purposes under the Plan. The Group is not the agent of Delta Dental.

11.13 GOVERNING LAW

To the extent the Plan is governed by state law, it shall be governed by and construed in accordance with the laws of the state of Oregon.

11.14 WHERE ANY LEGAL ACTION MUST BE FILED

Any legal action arising out of the Plan must be filed in either state or federal court in the state of Oregon.

11.15 TIME LIMIT FOR FILING A LAWSUIT

Any legal action arising out of, or related to, the Plan and filed against Delta Dental by a member or any third party must be filed in court no more than 3 years after the time the claim was filed (see section 10.1). All internal levels of appeal under the Plan must be exhausted before filing a legal action in court.

SECTION 12. CONTINUATION OF DENTAL COVERAGE

The following sections on continuation of coverage may apply. Members should check with the participating employer to find out if they qualify for this coverage. Both subscribers and their dependents should read the following sections carefully.

12.1 GENERAL OREGON CONTINUATION

12.1.1 Introduction

General Oregon Continuation only applies to employers who are not required to make continuation of health insurance benefits available under COBRA, including employers with fewer than 20 employees on 50% of the typical business days, and certain government and church plans. Delta Dental will provide General Oregon Continuation coverage to those eligible members who request it, subject to the following conditions:

- a. Delta Dental will offer no greater rights than ORS 743B.347 requires
- b. Delta Dental will not provide General Oregon Continuation coverage for those members who do not comply with the requirements outlined below

Note: In section 12.1 the term “domestic partner” refers only to a registered domestic partner, as defined in Section 14.

12.1.2 Eligibility

You may request General Oregon Continuation coverage if coverage is lost because of one of the following qualifying events:

- a. Termination of employment
- b. Reduction in hours of employment
- c. You become eligible for Medicare
- d. Death of the subscriber or dissolution of marriage or domestic partnership with the subscriber
- e. Child ceases to qualify as an eligible child under the Plan

And the following requirements are met:

- a. You have been enrolled continuously in the Plan or a predecessor policy for at least 3 consecutive months prior to the date of the qualifying event
- b. You are not eligible for Medicare or for any other hospital or medical benefits that are not already covering you when the termination of employment occurred
- c. Your spouse or domestic partner is not eligible for 55+ Oregon continuation coverage under ORS 743B.343

12.1.3 Enrollment

You will receive notice of the right to continuation of coverage after group coverage is lost. General Oregon Continuation coverage must be requested in writing no more than 10 business days after receiving the notice or after the date of the qualifying event, whichever is later. If General Oregon Continuation is not requested, coverage under the Plan will end.

12.1.4 Premiums

To continue group coverage, you must pay the correct premiums to the Group each month in advance. The first premium must be paid within 31 days of the date coverage normally would have ended.

12.1.5 When Coverage Ends

General Oregon Continuation will end on the earliest of the following events:

- a. 9 months after the date on which coverage under the Plan otherwise would have ended because of a qualifying event
- b. Delta Dental does not receive the member's full premiums with the Group's regular monthly payment
- c. You become eligible for Medicare
- d. You become eligible for other dental coverage
- e. We receive written notice that you wish to end coverage
- f. The Plan is terminated by either the Group or Delta Dental. If a replacement group dental plan is made available to members, then the balance of their continuation period will be covered under the replacement plan

12.2 OREGON CONTINUATION FOR SPOUSES & DOMESTIC PARTNERS AGE 55 AND OVER

12.2.1 Introduction

55+ Oregon Continuation only applies to participating employers with 20 or more employees. Delta Dental will provide 55+ Oregon Continuation coverage to those members who elect it, subject to the following conditions:

- a. Delta Dental will offer no greater rights than ORS 743B.343 to 743B.345 requires
- b. Delta Dental will not provide 55+ Oregon Continuation coverage for members who do not comply with the requirements outlined below
- c. If the Group or its designated third party administrator fails to notify the eligible spouse or domestic partner of their continuation rights, premiums shall be waived from the date the notice was required until the date notice is received by the spouse or domestic partner. The Group shall be responsible for such premiums.

Note: In section 12.2 the term "domestic partner" refers only to a registered domestic partner, as defined in Section 14.

12.2.2 Eligibility

Your spouse or domestic partner may elect 55+ Oregon Continuation coverage for themselves and any enrolled dependents if the following requirements are met:

- a. Coverage is lost because of the death of the subscriber, dissolution of marriage or domestic partnership with the subscriber, or legal separation from the subscriber
- b. Your spouse or domestic partner is 55 years of age or older at the time of such event
- c. Your spouse or domestic partner is not eligible for Medicare

12.2.3 Notice and Election Requirements

Notice of Divorce, Dissolution, or Legal Separation. Within 60 days of legal separation or the entry of a judgment of dissolution of marriage or domestic partnership, a member who is eligible for 55+ Oregon Continuation and seeks such coverage shall give the Group or its designated third party administrator written notice of the legal separation or dissolution. The notice shall include the member's mailing address.

Notice of Death. Within 30 days of the death of the subscriber, the Group shall give the designated third party administrator, if any, written notice of the death and the mailing address of the eligible surviving spouse or domestic partner.

Election Notice. Within 14 days of receipt of the above notice (or within 44 days of the death of the subscriber if there is no third party administrator), the Group or its designated third party administrator shall provide notice to the surviving, legally separated or divorced spouse or domestic partner that coverage can be continued, along with an election form. If the Group or its designated third party administrator does not provide this election notice within the required timeframe, premiums shall be waived until the date notice is received.

Election. The surviving, legally separated or divorced spouse or domestic partner must return the election form within 60 days after the form is mailed. If the election is not made within 60 days of the notification, the member will lose the right to continued benefits under this section.

12.2.4 Premiums

Monthly premiums for 55+ Oregon Continuation are limited to 102% of the premiums paid by a current subscriber. The first premiums shall be paid by the surviving, legally separated or divorced spouse or domestic partner to the Group or its designated third party administrator within 45 days of the date of election. All remaining monthly premiums must be paid within 30 days of the premium due date.

12.2.5 When Coverage Ends

55+ Oregon Continuation will end on the earliest of any of the following events:

- a. Failure to pay premiums when due, including any grace period allowed by the Plan
- b. The date the Plan ends or the date the Participating Employer terminates participation under the Plan, unless a different group policy is made available to members
- c. The date the member becomes insured under any other group dental plan
- d. The date the member remarries or registers another domestic partnership
- e. The date the member becomes eligible for Medicare.

12.3 COBRA CONTINUATION COVERAGE

12.3.1 Introduction

COBRA only applies to participating employers with 20 or more employees on 50% of the typical business days in the prior calendar year. Certain church plans are exempted from COBRA. Delta Dental will provide COBRA continuation coverage to members who have experienced a qualifying event and who elect coverage under COBRA, subject to the following conditions:

- a. Delta Dental will offer no greater COBRA rights than the COBRA statute requires
- b. Delta Dental will not provide COBRA coverage for members who do not comply with the requirements outlined below
- c. Delta Dental will not provide COBRA coverage if the COBRA Administrator does not provide the required COBRA notices within the statutory time periods or if the COBRA Administrator otherwise does not comply with any of the requirements outlined below
- d. Delta Dental will not provide a disability extension if the COBRA Administrator does not notify Delta Dental within 60 days of its receipt of a disability extension notice from a member

For purposes of section 12.3, COBRA Administrator means either the Group or a third party administrator delegated by the Group to handle COBRA administration.

12.3.2 Qualifying Events

Subscriber. You may elect continuation coverage if coverage is lost because of termination of employment (other than termination for gross misconduct, which may include misrepresenting immigration status to obtain employment), or a reduction in hours.

Spouse. Your spouse has the right to continuation coverage if coverage is lost for any of the following qualifying events:

- a. Death of the subscriber
- b. Termination of your employment (for reasons other than gross misconduct) or reduction in your hours of employment with the participating employer
- c. Divorce or legal separation from the subscriber
- d. You become entitled to Medicare

If it can be established that you have eliminated coverage for your spouse in anticipation of a divorce or legal separation, and a divorce or legal separation later occurs, then the later divorce or legal separation will be considered a qualifying event even though your ex-spouse lost coverage earlier. If your ex-spouse notifies the COBRA Administrator within 60 days of the divorce or legal separation, COBRA coverage may be available for the period after the divorce or legal separation.

Children. Your child has the right to continuation coverage if coverage is lost for any of the following qualifying events:

- a. Death of the subscriber
- b. Termination of your employment (for reasons other than gross misconduct) or reduction in your hours of employment with the participating employer
- c. Parents' divorce or legal separation
- d. You become entitled to Medicare
- e. Child ceases to be a child under the Plan

Domestic Partners. If you were covering your domestic partner under the Plan at the time of the qualifying event, you can elect COBRA continuation coverage that includes continuing coverage for your domestic partner. Your covered domestic partner is not an eligible member under COBRA and, therefore, does not have an independent election right under COBRA. This also

means that your domestic partner's coverage ends immediately when your COBRA coverage terminates (for example, due to your death or because you become covered under another plan).

Retirees. If the Plan provides retiree coverage and your former employer files a Chapter 11 bankruptcy proceeding, this may be a qualifying event for the retiree who loses coverage as a result, and for the retiree's covered dependents.

12.3.3 Other Coverage

The right to elect continuation coverage shall be available to persons who are covered under another group dental plan at the time of the election.

12.3.4 Notice and Election Requirements

Qualifying Event Notice. Your dependent's coverage ends as of the last day of the month in which a divorce or legal separation occurs (spouse's coverage is lost) or a child loses dependent status under the Plan (child loses coverage). Under COBRA, you or a family member have the responsibility to notify the COBRA Administrator if one of these events occurs by mailing or hand-delivering a written notice to the COBRA Administrator. The notice must include the following: 1) the names of the Group and participating employer; 2) the name and social security number of the affected members; 3) the event (e.g., divorce); and 4) the date the event occurred. Notice must be given no later than 60 days after the loss of coverage under the Plan. If notice of the event is not given on time, continuation coverage will not be available.

Election Notice. Members will be notified of their right to continuation coverage within 14 days after the COBRA Administrator receives a timely qualifying event notice.

Otherwise, members will be notified by the COBRA Administrator of the right to elect COBRA continuation coverage within 44 days of any of the following events that result in a loss of coverage: your termination of employment (other than for gross misconduct) or reduction in hours, death of the subscriber, the subscriber's becoming entitled to Medicare, or the Group files for Chapter 11 reorganization.

Election. A member must elect continuation coverage within 60 days after plan coverage ends, or, if later, 60 days after the COBRA Administrator sends notice of the right to elect continuation coverage to the member. If continuation coverage is not elected, group dental coverage will end.

You or your spouse may elect continuation coverage for eligible family members. Each family member also has an independent right to elect COBRA coverage. This means that your spouse or child may elect continuation coverage even if you do not.

If COBRA is elected, the Group will provide the same coverage as is available to similarly situated members under the Plan.

12.3.5 COBRA Premiums

Members are responsible for all premiums for continuation coverage. Due to the 60-day election period, it is likely that retroactive premiums will be owed for the months between when regular coverage ended and the first payment date. These premiums must be paid in a lump sum at the first payment. The first payment for continuation coverage is due within 45 days after a member provides notice of electing coverage (this is the date the election notice is postmarked, if mailed, or the date the election notice is received by the COBRA Administrator if hand delivered).

Subsequent payments are due on the first day of the month. There will be a grace period of 30 days to pay the premiums. Delta Dental will not send a bill for any payments due. The member is responsible for paying the applicable premiums when due; otherwise continuation coverage will end and may not be reinstated. The premium rate may include a 2% add-on to cover administrative expenses.

12.3.6 Length of Continuation Coverage

18-Month Continuation Period. When coverage is lost due to end of employment or a reduction of hours of employment, coverage generally may be continued for up to a total of 18 months.

36-Month Continuation Period. When coverage is lost due to a subscriber's death, divorce or legal separation, or a child ceasing to be a dependent under the terms of the Plan, coverage under the Plan may be continued for up to a total of 36 months.

When the qualifying event is the end of employment or reduction of your hours of employment, and you became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA coverage for members (other than yourself) who lose coverage as a result of the qualifying event can last up to 36 months after the date of Medicare entitlement. This COBRA coverage period is available only if you become entitled to Medicare within 18 months before the termination or reduction of hours.

Extended Period. In the case of loss of coverage due to the bankruptcy of the participating employer, coverage for the retired subscriber may be continued up to the subscriber's death. Coverage for each dependent may be continued up to the dependent's death or 36 months after the retired subscriber's death, whichever is earlier.

12.3.7 Extending the Length of COBRA Coverage

An extension of the maximum period of coverage may be available if a member is disabled or a second qualifying event occurs. The COBRA Administrator must be notified of a disability or a second qualifying event in order to extend the period of COBRA coverage. If the member does not provide notice of a disability or second qualifying event, the member will lose the right to extend the period of COBRA coverage.

Disability. If any of the members is determined by the Social Security Administration to be disabled, the maximum COBRA coverage period that results from your termination of employment or reduction of hours may be extended to a total of up to 29 months. The disability must have started before the 61st day of the COBRA coverage period and the Social Security Administration determination must be made before the end of the initial 18-month COBRA coverage period. Each family member who has elected COBRA coverage will be entitled to the disability extension if one of them qualifies.

The member must provide a copy of the Social Security Administration's determination of disability to the COBRA Administrator within 60 days after the latest of:

- a. The date of the Social Security Administration's disability determination
- b. The date of your termination of employment or reduction of hours
- c. The date on which the member loses (or would lose) coverage under the terms of the Plan as a result of your termination or reduction of hours

If the notice is not provided within this timeframe, then there will be no disability extension of COBRA coverage. The premiums for COBRA coverage may increase after the 18th month of coverage to 150% of the premium.

If the Social Security Administration determines the member is no longer disabled, the disability extension ends. The member must notify the COBRA Administrator no more than 30 days after the Social Security Administration's determination that they are no longer disabled.

Second Qualifying Event. An extension of coverage will be available to spouses and children who are receiving COBRA coverage if a second qualifying event occurs during the 18 months (or, in the case of a disability extension, the 29 months) following your termination of employment or reduction of hours. The maximum amount of COBRA coverage available when a second qualifying event occurs is 36 months from the date of the first qualifying event. Second qualifying events may include the death of a subscriber, divorce or legal separation from the subscriber, or a child's ceasing to be eligible for coverage as a dependent under the Plan. These events can be a second qualifying event only if they would have caused the member to lose coverage under the Plan if the first qualifying event had not occurred. (This extension is not available under the Plan when you become entitled to Medicare after their termination of employment or reduction of hours.)

This extension is only available if the COBRA Administrator is notified in writing of the second qualifying event within 60 days after the date of the event. If this notice is not provided to the COBRA Administrator during the 60-day notice period, then there will be no extension of COBRA coverage due to a second qualifying event.

Note: Longer continuation coverage may be available under Oregon law for your spouse or domestic partner age 55 and older who loses coverage due to your death, or due to legal separation or dissolution of marriage or domestic partnership (see section 12.2).

12.3.8 Special Enrollment and Open Enrollment

Members under continuation coverage have the same rights as similarly situated members who are not enrolled in COBRA. You may add children, spouses, or domestic partners as covered dependents in accordance with the Plan's eligibility and enrollment rules (see sections 8.4 and 9.2), including HIPAA special enrollment. If non-COBRA members can change plans at open enrollment, COBRA members may also change plans at open enrollment.

12.3.9 When Continuation Coverage Ends

COBRA coverage will end earlier than the maximum period if:

- a. Any required premiums are not paid in full on time
- b. A member becomes covered under another group dental plan
- c. A member becomes entitled to Medicare benefits (under Part A, Part B, or both) after electing COBRA. (However, if the qualifying event is the Group's or participating employer's bankruptcy, the member will not lose COBRA because of entitlement to Medicare benefits)
- d. The Group or participating employer ceases to provide any group dental plan for its employees
- e. During a disability extension period (section 12.3.7), the disabled member is determined by the Social Security Administration to be no longer disabled (COBRA coverage for all members, not just the disabled member, will end)

COBRA coverage may also be cancelled for any reason the Plan would terminate coverage of a member not receiving COBRA coverage (such as fraud).

Questions about COBRA should be directed to the COBRA Administrator. The COBRA Administrator should be informed of any address changes.

12.4 UNIFORMED SERVICES EMPLOYMENT & REEMPLOYMENT RIGHTS ACT (USERRA)

Coverage will end if you are called to active duty by any of the armed forces of the United States of America. However, if you ask to continue coverage under USERRA, coverage can be continued for up to 24 months or the period of uniformed service leave, whichever is shortest, if you pay any required contributions toward the cost of the coverage during the leave. If the leave is 30 days or less, the contribution rate will be the same as for active members. If the leave is longer than 30 days, the required contribution will not exceed 102% of the cost of coverage.

If you do not elect continuation coverage under USERRA or if continuation coverage is terminated or exhausted, coverage will be reinstated on the first day you return to active employment with the participating employer if released under honorable conditions, but only if you return to active employment:

- a. On the first full business day following completion of military service for a leave of 30 days or less
- b. Within 14 days of completing military service for a leave of 31 to 180 days
- c. Within 90 days of completing military service for a leave of more than 180 days

Regardless of the length of the leave, a reasonable amount of travel time or recovery time for an illness or injury determined by the Veteran's Administration (VA) to be service connected will be allowed.

When coverage under the Plan is reinstated, all plan provisions and limitations will apply to the extent that they would have applied if you had not taken military leave and coverage had been continuous under the Plan. There will be no additional eligibility waiting period. (This waiver of limitations does not provide coverage for any illness or injury caused or aggravated by military service, as determined by the VA. Complete information regarding rights under USERRA is available from the Group or participating employer).

12.5 FAMILY AND MEDICAL LEAVE

You should check with the participating employer to find out if you qualify for this coverage. If the participating employer grants a leave of absence under state or federal family and medical leave laws, the following rules will apply:

- a. Affected members will remain eligible for coverage during a family and medical leave.
- b. If members elect not to remain enrolled during a family and medical leave, they will be eligible to re-enroll in the Plan on the date you return from leave. To re-enroll, a complete and signed application must be submitted within 60 days of the return to work. All of the

terms and conditions of the Plan will resume at the time of re-enrollment as if there had been no lapse in coverage. Any group eligibility waiting period under the Plan will not have to be re-served.

- c. Your rights under family and medical leave will be governed by applicable state or federal statute and regulations.

12.6 STRIKE OR LOCKOUT

If employed under a collective bargaining agreement and involved in a work stoppage because of a strike or lockout, you may continue coverage for up to 6 months. You must pay the full premiums, including any part usually paid by the participating employer, directly to the union or trust, and the union or trust must continue to pay Delta Dental the premiums when due.

Continuation of coverage during a strike or lockout will not occur if:

- a. Fewer than 75% of those normally enrolled choose to continue their coverage
- b. You accept full-time employment with another employer
- c. You otherwise lose eligibility under the Plan

SECTION 13. ERISA DUTIES

Subscribers are entitled to certain rights and protections if the Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). Members should ask the participating employer if this section is applicable.

13.1 PLAN ADMINISTRATOR AS DEFINED UNDER ERISA

Delta Dental is not the plan administrator or the named fiduciary of the Plan, as defined under ERISA. Contact the Group or the participating employer for more information.

13.2 INFORMATION ABOUT THE PLAN AND BENEFITS

Subscribers may examine, without charge, at the Group's office and at other specified locations, such as worksites, all documents governing the Plan, including insurance contracts, collective bargaining agreements (if applicable), updated summary plan description, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration (if any). This information can be obtained by written request. The Group may charge a reasonable amount for the copies.

Subscribers are entitled to receive a summary of the Plan's annual financial report, if any is required by ERISA. The Group is required by law to furnish each subscriber with a copy of this summary annual report.

13.3 CONTINUATION OF GROUP DENTAL PLAN COVERAGE

Subscribers are entitled to continue dental care coverage for themselves or their dependents if coverage under the Plan is lost as a result of a qualifying event. Members may have to pay for such coverage. Members should review this handbook and the documents governing the Plan regarding the rules governing continuation coverage rights.

13.4 PRUDENT ACTIONS BY PLAN FIDUCIARIES

In addition to creating rights for members, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate the Plan, called fiduciaries of the Plan, have a duty to do so prudently and in the interest of members. No one, including the employer or any other person, may fire or discriminate against a subscriber in any way to prevent the subscriber from obtaining a benefit or exercising rights under ERISA.

13.5 ENFORCEMENT OF RIGHTS

If a claim for benefits is denied or no action is taken, in whole or in part, members have a right to receive an explanation, to obtain without charge copies of documents relating to the decision, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps members can take to enforce these rights. For instance, if a copy of plan documents or the latest annual report is requested from the Group and not received within 30 days, a member may file suit in federal court. In such a case, the court may require the Group to provide the materials and pay the member up to \$110 a day until the member receives the materials, unless the materials were not sent because of reasons beyond the control of the Group. If a claim for benefits is denied or no action is taken, in whole or in part, a member may file suit in state or federal court after exhausting the appeal process required by the Plan (see section 10.2). In addition, a member who disagrees with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order may file suit in federal court.

If plan fiduciaries misuse the Plan's money, or if a member is discriminated against for asserting the member's rights, the member may seek assistance from U.S. Department of Labor or may file suit in federal court. The court will decide who should pay court costs and legal fees. If the member is successful, the court may order the person who has been sued to pay these costs and fees. If the member loses, the court may order the member to pay these costs and fees, (e.g., if it finds the claim is frivolous).

SECTION 14. DEFINITIONS

Alveoloplasty is the surgical shaping of the bone of the upper or the lower jaw. It is performed most commonly in conjunction with the removal of a tooth or multiple teeth to have the gums heal smoothly for the placement of partial denture or denture.

Amalgam is a silver-colored material used in restoring teeth.

Anterior refers to teeth located at the front of the mouth (tooth chart in Section 15).

Bicuspid is a premolar tooth, between the front and back teeth (tooth chart in Section 15).

Bridge is also called a fixed partial denture. A bridge replaces one or more missing teeth using a pontic (false tooth or teeth) permanently attached to the adjacent teeth. Retainer crowns (crowns placed on adjacent teeth) are considered part of the bridge.

Broken A tooth is considered broken when a piece or pieces of the tooth have been completely separated from the rest of the tooth. A tooth with cracks is not considered broken.

Cast Restoration includes crowns, inlays, onlays and any other restoration to fit your tooth that is made at a laboratory or dental office and cemented into the tooth.

Coinsurance is a percentage of covered expenses that you pay.

Composite is a tooth-colored material used in restoring teeth.

Cost Sharing is the share of costs you must pay when receiving a covered service, including deductible, copayments or coinsurance. Cost sharing does not include premiums, balance billing amounts for non-participating providers or the cost of non-covered services.

Covered Employee means an Eligible Employee for whom the participating employer has made contributions to provide dental benefits.

Covered employment means employment for which a participating employer has made contributions to provide dental care benefits.

Covered Service is a service that is specifically described as a benefit of the Plan.

Deductible is the amount of covered expenses that you pay before benefits are payable by the Plan.

Delta Dental refers to Delta Dental Plan of Oregon. Delta Dental Plan of Oregon is a business name used by Oregon Dental Service, a not-for-profit dental healthcare service contractor. Where this book refers to "we", "us", or "our" it is referring to Delta Dental or its employees.

Dentally Necessary means services that:

- a. are established as necessary for the treatment or prevention of a dental injury or disease otherwise covered under the Plan
- b. are appropriate with regard to standards of good dental practice in the service area
- c. have a good prognosis
- d. are the least costly of the alternative supplies or levels of service that can be safely provided. For example, coverage would not be allowed for a crown when a filling would be adequate to restore the tooth appropriately

The fact that a dentist may recommend or approve a service or supply does not, of itself, make the charge a covered expense.

Dentist means a licensed dentist operating within the scope of their license as required under law within the state of practice.

Denture Repair is a procedure done to fix a complete, immediate, or partial denture. This includes adding a tooth to a partial denture, replacing a broken tooth in a denture, or fixing broken framework and/or base.

Domestic Partner means a person joined with you in a partnership that has been registered under the laws of any federal, state or local government.

Enrollment Date means, for new hires and others who enroll when first eligible, the date coverage begins or, if earlier, the first day of the waiting period. For all others, the enrollment date is the date the plan coverage actually begins.

Exclusion Period means a period of time during which specified treatments or services are excluded from coverage.

Group refers to Northwest Financial Associations' Employee Benefit Trust, a trust organized under the laws of the state of Oregon for the purpose of representing and serving the interests of its participating employers who employ a combined minimum of eligible employees who are enrolled according to the requirements of the policy.

Group Health Plan means any plan, fund or program established and maintained by the Group for the purpose of providing healthcare for its employees or their dependents through insurance, reimbursement or otherwise. This dental benefit plan is a group health plan.

Implant Abutment is an attachment used to connect an implant and an implant supported prosthetic device.

Implant Supported Prosthetic is a crown, bridge or removable partial or full denture that is supported by or attached to an implant.

Limited Exam is an examination of a specific oral health problem or complaint.

Maximum Plan Allowance (MPA) is the maximum amount that we will reimburse providers. For a participating Delta Dental Premier dentist, the maximum amount is the dentist's filed or contracted fee with Delta Dental. For non-participating dentists or dental care providers, the maximum amount is based on a PPO fee schedule. When using a non-participating dentist or dental care provider, any amount above the MPA is your responsibility.

Member is subscriber or dependent of a subscriber who has enrolled for coverage under the terms of the Plan. Where this book refers to "you" or "your" it is referring to a member.

Non-participating Dentist or Dental Provider means a licensed dental provider who has not agreed to the terms and conditions established by Delta Dental that participating Delta Dental Premier dentists have agreed to.

Periodic Exam is a routine exam (check-up), commonly performed every 6 months.

Periodontal Maintenance is a periodontal procedure for members who have previously been treated for periodontal disease. In addition to cleaning the visible surfaces of the teeth (as in prophylaxis) surfaces below the gum-line are also cleaned. This is a more comprehensive service than a regular cleaning (prophylaxis).

The **Plan** is the dental benefit plan sponsored by the Group and insured under the terms of the policy between the Group and Delta Dental.

Policy is the agreement between the Group and Delta Dental for insuring the dental benefit plan sponsored by the Group. This handbook is a part of the policy.

Policyholder means Northwest Financial Associations' Employee Benefit Trust which is a party to this contract.
